

Rubric for Evaluating Proposed SAGE Programs

Criterion	Definition	Score (1 low to 5 high)
Alignment	Based on rationale and proposed courses, does the program align with GE objectives?	
Integration	Based on rationale and proposed courses, what is the program's potential for an integrated learning experience (course of study with course of experience).	
Director Qualification	To what degree does each director's expertise (disciplinary, teaching focus, and cultural or language proficiency) and experience (study abroad, regional/sites of learning) suggest ability to successfully implement the proposal.	
Intercultural Competence Outcome	Does the program develop the skills, knowledge, and attitudes that fosters meaningful engagement with cultural others.
